MEMORANDUM FOR: THE DEPUTY DIRECTOR

[] tour of duty with the Agency will terminate on 19 August 1955. He has been a key figure in the development of the Agency logistical support program. A one year extension of his tour is considered essential if the Agency is to continue its logistical support program at an accelerated pace.

The Chief, Military Personnel Division, is of the opinion that nothing short of your intervention will obtain an extension for []. I concur in the need for his services and also in the opinion of the Chief, Military Personnel Division. Recommend signature on the attached memorandum to the Chief of Staff, U. S. Air Force, requesting this extension.
